CUSTOMER CARE

EXCLUSIVE BENEFITS

FOR EVERY JEEP[®]
WRANGLER OWNER

Jeep[®] Wrangler vehicles are automatically enrolled in the Jeep Wave[®] Customer Care Program. It's designed to provide owners with dedicated support and a special package of benefits that enhance their ownership experience and thank them for their patronage.

Visit jeep.ca/jeepwavecanada for full details.

**NO-ADDITIONAL-CHARGE,
WORRY-FREE MAINTENANCE***

CONFIDENCE WITH VEHICLE PROTECTION

DEDICATED OWNER SUPPORT

NO-CHARGE, FIRST-DAY RENTAL COVERAGE

*During the first 36 months of ownership.

LET NATURE BE YOUR COPILOT

Enjoy the open-air freedom only found in a Jeep® Wrangler. It's like nothing else. Feeling the wind in your hair as you travel, with no separation between you and the world, is what makes Wrangler one of a kind.

REMOVABLE^{1*} TOPS

Open-air driving has never been more fun than with your choice of the standard Sunrider® Soft Top, the available Premium Sunrider Soft Top or the available Freedom Top® Modular Hardtop.

REMOVABLE¹ DOORS

Made of lightweight aluminum, the doors are designed for easy removal¹ with the included TORX® toolkit.

HALF¹ DOORS

Available half doors, with or without upper fabric panels, open you up to experiencing fresh-air freedom in an exciting new way.

FOLD-DOWN WINDSHIELD¹

The aluminum-framed windshield is easy to unfasten, fold down and secure to the hood with available straps.

Sahara® in Granite Crystal Metallic

OPEN-AIR FREEDOM | 4

*A note about this brochure: all disclosures can be found on the last page.

SUNRIDER® SOFT TOP

Standard on all Jeep® Wrangler models with an easy-to-use zipperless design. Its simple operation allows the top to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material and comes in Black. Upgrade to the available Premium Sunrider® Soft Top with a higher grade of fabric.

FREEDOM TOP® MODULAR HARDTOP

This three-piece hardtop is light and easy to remove.¹ For a full, open-air experience, you can take off¹ all three sections or let in the sun by just removing¹ the two front panels. Available in Black or body-colour depending on model.

SUNRIDER FLIP TOP FOR HARDTOP

Look up to see more of the sun, sky and stars. Made with premium materials that allow for year-round use, the Sunrider Flip Top for Hardtop replaces the Freedom Panels with a soft top that can easily open — and close — in seconds. Available from Mopar®.

SKY ONE-TOUCH™ POWER TOP

With one-touch operation and removable¹ rear quarter panels. Available.

470 HP AND 470 LB-FT OF TORQUE
0 – 60 MPH IN 4.5 SECONDS⁴
1/4 MILE IN 13 SECONDS⁴

Rubicon® 392 in Firecracker Red

THE ADRENALINE RUSH YOU'VE BEEN CRAVING

33-INCH TIRES

Grip, grab and go with 17-inch
beadlock-capable wheels.

THE 6.4L HEMI® V8 ENGINE

Powers up with 470 hp and
470 lb-ft of torque.

TORQUEFLITE® 8-SPEED AUTOMATIC TRANSMISSION

High output helps put the power into the shifting.

HYDRO-GUIDE AIR INDUCTION SYSTEM

The functional hood with Hydro-Guide Air Induction
System enhances engine performance. Cooler air helps
lower engine temperature and helps separate water
from the intake while travelling in wet conditions.

TAKE FREEDOM TO **POWERFUL HEIGHTS**

THESE JEEP® BRAND POWERTRAINS OFFER AN IMPRESSIVE MIX OF EFFICIENCY, POWER AND PULL

2.0L TURBO I-4 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY

This available engine offers smart energy-generating functions, including ESS, electric power assist, extended fuel shutoff, transmission shift management, intelligent battery charging and regenerative braking. Direct injection boosts power while reducing emissions, and eTorque technology provides a smooth ESS experience along with electric torque assistance. With the standard 8-speed transmission, you'll enjoy strong takeoffs and smooth highway coasting.

270
HORSEPOWER

295
LB-FT OF TORQUE

3.6L PENTASTAR™ V6 ENGINE

This proven engine employs friction-reducing applications that ensure its smooth operation. Exceptional efficiencies add even more value, helped by the addition of ESS. It comes matched to a sturdy 6-speed manual transmission, or choose the 3.6L Pentastar™ engine equipped with mild-hybrid eTorque technology that works to boost launch performance, helps smooth shifts and improves efficiency. It's paired with an 8-speed automatic transmission. Both versions deliver equally powerful horsepower and torque. Standard.

285
HORSEPOWER

260
LB-FT OF TORQUE

6.4L HEMI® V8 ENGINE WITH FUELSAVER TECHNOLOGY

It's been known to go from 0 - 60 mph in 4.5 seconds and clock in a 1/4 mile in 13 seconds. This powerful workhorse is engineered for strength and endurance, churning out 470 hp and 470 lb-ft of torque. FuelSaver Technology optimizes efficiency when V8 power is not required, with no sacrifice in performance. Standard on Rubicon® 392.

470
HORSEPOWER

470
LB-FT OF TORQUE

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimized, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Wrangler. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, Four-Wheel-Drive (4WD) gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride. Available.

6-SPEED MANUAL TRANSMISSION

For those who prefer to really put themselves into every shift, this one's for you. It hands you low 1st and Reverse gears, which are great for off-roading. You'll have what it takes to handle steep inclines and climb over boulders while remaining in control in 1st gear.

ROCK SOLID COURAGE

Never back down and always stay the course. When the going gets tough, Jeep® Wrangler takes the lead and keeps going. A full lineup of authentic capability features helps to manage your progress while keeping the vital parts safe and sound. On top of it all, Wrangler keeps you informed of critical vehicle information, performance stats and more.

OFF-ROAD PAGES Access real-time performance data like suspension travel or keep an eye on your tilt and pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, help to provide an optimized experience. Available.

SELEC-SPEED® CONTROL Manages vehicle speeds of 0.96 – 8 km/h (0.6 – 5 mph) in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Wrangler put the right amount of power or braking onto the ground. Included with the available 8-speed automatic transmission.

STEEL BUMPERS Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lamps and has removable end caps to help manoeuvre through tight spots. Available on Rubicon® models.

SKID PLATES The underbelly of your beast is protected, giving you peace of mind when you're climbing over huge boulders and navigating rough terrain. Every Wrangler gets skid plates covering the fuel tank, transfer case and transmission, so move forward with confidence on every road and trail. Standard.

TOW HOOKS You're given important tools to play the hero when need be. Every Wrangler gets two tow hooks up front and one in back. On Rubicon models, they're painted Red to stand out from the crowd.

TRAIL RATED® NO OTHER BRAND CAN TOUCH IT

EVERY JEEP® WRANGLER WEARS THE TRAIL RATED® DESIGNATION, SHOWING IT HAS BEEN TESTED AND PROVEN IN FIVE MAJOR CATEGORIES, HELPING YOU NAVIGATE THE MOST DIFFICULT CHALLENGES MOTHER NATURE CAN DISH OUT.

Sahara® in Bright White

Traction

Articulation

Manoeuvrability

Water Fording³

LOCKED IN YET FLEXIBLE

OFF-ROAD+

When engaged, it automatically deciphers the type of terrain Jeep Wrangler is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling manoeuvres. Standard and exclusively on Rubicon® models.

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in Four-Wheel-Drive (4WD) traction. An instrument-panel-mounted rocker switch can lock either the rear or both axles. Paired with Rock-Trac® 4WD system on Rubicon models.

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO or 4-HI, allowing the front suspension to travel up to an additional 30 percent. It automatically reconnects at speeds above 28 km/h (18 mph). Standard and exclusively on Rubicon models.

FORWARD-FACING OFF-ROAD TRAILCAM¹⁶

Mounted within the grille, the TrailCam¹⁶ provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available.

A LOT TO CONNECT WITH

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use standard 7-inch or available 8.4-inch touchscreen. You're always connected with Uconnect, whether in your vehicle or via the Uconnect App⁵ on your device, which allows you to lock and unlock your vehicle remotely. Available.

PHONE/TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,⁶ select media stations and access navigation.

Includes Apple CarPlay⁷ support and Android Auto^{TM7} compatibility. Available.

CONNECTIONS

With Siri Eyes Free⁸ and your connected iPhone, use voice commands to make calls, create and send texts, and more.⁶

Available GPS Navigation⁹ helps you travel the best routes. A Wi-Fi Hotspot¹⁰ connects with up to eight devices within 15.2 m (50 ft) of your vehicle. Available.

UCONNECT® + SIRIUSXM GUARDIAN⁵

Enjoy a suite of safety and convenience features, including SOS Call,¹¹ lock/unlock or start¹² your car from virtually anywhere, and much more. One-year trial included. Available.

SIRIUSXM TRAFFIC PLUS¹³

Avoid tie-ups, road closures and construction with continuous traffic updates. First five years of service included. Available.

SiriusXM
TRAFFIC PLUS

SIRIUSXM¹⁴

SiriusXM¹⁴ delivers over 150 channels of ad-free music in every genre, exclusive interviews and performances from our studios, plus world-class news, live play-by-play sports and the biggest names in comedy. Listen in your car or using the SXM App¹⁴ included in your one-year trial. Available.

SIRIUSXM TRAVEL LINK¹³

Get weather maps, forecasts and alerts, plus sports scores and schedules, fuel prices and more.

First five years of service included. Available.

SiriusXM
TRAVEL LINK

START YOUR CAR FROM AFAR

Start the engine, lock the doors, check fuel status and more using the available Jeep® Skill for Amazon Alexa¹⁵ or the available Jeep Action on a Google Assistant-enabled device.

ADVANCED SAFETY & SECURITY SYSTEMS

Enjoy real peace of mind with more than 80 standard and available safety & security features. Wrangler stands as a constant guardian during your travels and includes sensors and cameras that keep watch around your perimeter, helping to ensure your well-being on the road.

BLIND-SPOT MONITORING¹⁶ AND REAR CROSS-PATH DETECTION¹⁶

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

PARK-SENSE® REAR PARK ASSIST SYSTEM¹⁶

Works in tandem with the ParkView® Rear Back-Up Camera¹⁶ to help display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 6 km/h (4 mph), the system will automatically bring the vehicle to a stop if an object is detected. Available.

ADVANCED SAFETY GROUP

This complete package uses active sensors to help you stay aware of your surroundings. It includes Auto High-Beam Headlamp Control, Full-Speed Forward Collision Warning Plus,¹⁶ Adaptive Cruise Control with Stop,¹⁶ Blind-Spot Monitoring¹⁶ and Rear Cross-Path Detection,¹⁶ Park-Sense® Rear Park Assist System¹⁶ and bright LED taillamps. Available.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC)

HSA works to prevent Wrangler from rolling when starting on an uphill gradient. Standard. HDC is packaged with the available 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

CHECK YOUR GEAR HERE

IN-FLOOR STORAGE BIN The cargo floor behind the second row of seats hides a storage area whose lid secures when the swing gate is closed — perfect for storing larger items.

BINS AND POCKETS The cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered centre console has a main bin big enough to fit an iPad and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage.

MODULAR SEATBACK JEEP® UTILITY GRID SYSTEM This Rubicon® exclusive feature is integrated in the available, leather-faced front seatbacks and provides additional flexible storage options. Durable nylon woven straps accommodate available Modular Lightweight Load-carrying Equipment (MOLLE)-style bags. An available Mopar® kit includes a set of three bags (small, medium and large), each with attachment straps and featuring the Jeep® Brand logo.

SMART SOLUTIONS ADD UTILITY

WEATHERPROOF PUSH-BUTTON START The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out should the weather outside accidentally come inside.

WASHABLE INTERIOR Not only is the carpet weather-resistant, but it can be removed to reveal drain plugs that, when removed, allow the floor to be easily hosed out. Standard.

MORE POWER TO YOU Connect to and power up your devices with the USB, USB-C, 12-volt and audio jack situated on the front dashboard. An additional 115-volt outlet and two USB ports are available on the rear of the centre console, especially handy for device users in the second row.

AUXILIARY SWITCH GROUP This bank of four switches, conveniently installed in the dashboard, is pre-wired from the factory to accept accessories like off-road lights and a winch, making their addition clean and hassle-free. Available.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2023 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.* SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.*

*Whichever comes first. Some conditions may apply. *The 5-Year / 100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. 2) With Xtreme Recon 35-inch Tire Package including 35-inch tires. Class based on Ward's Small Sport/Utility vehicle segmentation. 3) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 4) Based on manufacturer estimates. Actual mileage may vary. Obey the rules of the road. 5) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 6) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 7) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. 8) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 9) Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 10) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 11) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 12) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. 13) SiriusXM Traffic Plus and SiriusXM Travel Link require subscriptions, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes. 14) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 15) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Requires a Wi-Fi Hotspot plan and linked Amazon account to run Alexa in the vehicle. Amazon, Alexa, and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. 16) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his or her surroundings and be prepared to take corrective action to avoid collisions. 17) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 18) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. 19) Not compatible with all garage door openers. 20) Vehicle must be locked and system activated for alarm to sound.
